“ My heart felt condolences to The Minter Family and love ones.

My heart is heavy I just found out tonight my neighbor Tony passed away in October ,this I saw on the 11 o'clock news tonight 11/19/2021.

Just today I thought of him and said I would send him a text and let him know I would trim the branches on the fence.

On Thursday Oct 14, at 5:16 am, I sent a text to Tony, My wife and I had some concern that we saw lots of people at the house thru the fence but no one was playing sports.

I wanted to let him know we wanted to check on our neighbors.

As of this day Tony never replied and tonight I found out why.

May Our Father in Heaven continue to comfort family and loves ones in Jesus Name Amen.

Our Deepest Condolences

Your neighbors The Sturdivant Family.

“ I met Tony 3 years ago on a Friday night in October at a Thomas Dale Football game. He was so proud of all of his children. He told me about the oldest son was playing for Dale, the younger son that would be playing at Dale and he was a Quarterback, I was glad to hear about the upcoming QB. And the amazing daughter softball player. I told my daughter (Ashley Tucker), he was a very nice person and had a very talented family. A week later, I found out my son Eric Blythe would become Tony's neighbor in a couple of weeks. I'm so glad Eric moved into a great neighborhood and have the Minter's as neighbors. Tony was an amazing role model for many.

Our deepest sympathy for the Minter family.

“ I was never more shocked than when I heard this news about Coach Minter. He was an outstanding coach for Xtreme Heights and made a life long impression for all the boys on the team. It was very obvious he cared for all of them.

My deepest sympathies for Catherine, the kids and his family and friends.

Prayers for you all

“ Tony was an amazing person and would do anything for anyone. The Herman family is blessed to know the Minter's and share many memories together. A few of our favorites (definitely not all) were trick or treating, birthday parties, traveling together for basketball, beach time, Tony turning Abby into a beautiful sand mermaid, Tony helping Abby boogie board her first time, and of course we experienced his awesome coaching (I mean, who didn't?). I think the things I will miss most is running into Tony around town, receiving those random text messages that were meant for Kevin keeping us updated on his kids sports milestones, memories and offers, but most importantly, not having had another opportunity to hang out. Tony, you are missed tremendously!

The Herman's - October 09 at 11:28 AM

“ I always admired Tony’s devotion to his family. He supported his children in everything they did, and was so open about his love for them and Catherine. I loved to see his posts about Catherine on their anniversaries. He was so genuine, loving and proud of her, and the children. He had a great smile and a friendly manner. He felt like an old friend from the first time you met him. That was a gift he had. Even though he lives on in a better place, memories of him will live on here, through those who loved and knew him best. To Catherine, T.J., Ethan and Reese; this life is short, so live it well. Know that Tony still lives. He’s aware of you and what you’re going through. His love for you all is eternal. He will continue to root for you all on the other side. Death is just a door to the next life. We’ll all pass through that door when it’s time. When you do, Tony will be there for you. What a tender, joyous time that will be.

“ I am the Nanny of Shamus and Aiden Jones and I have known Tony and Catherine for many years through frequenting baseball and football games with my daughter Olivia and son in law Shamus from the time my grandsons and his boys TJ and Ethan were little boys in Little League and Reese was a baby. Knowing how much he loved 🏈 sports and Thomas Dale was such a big part of his life, I will be making a monetary donation to TD in lieu of flowers in his honor. Catherine, my heart hurts for you and your Family. He will be greatly missed by so many,

“ I heard my phone ping. When I opened up my message from you and it was pictures and videos of Tres playing Rugby. You knew with me living in Texas that I would love to see my boy play and you made it happen. You truly are “that” guy. I will miss our conversations about football and what our kids are doing. Most of all I will miss you my friend. Rest easy now.
