“ There is not enough time and room to share all the memories of Bonnie and her boys. She and the boys use to come visit with my daughter, always always enjoyed having them here. Fun and laughter was always had by all, and of course food. Not that Bon Bon liked to eat. lololol So many memories of the past close to 20 years I guess. I hope she has joined her Mom and Dad and they had a wonderful reunion. Nothing like not having a Mom, as Danny and Brian has already found out, Mom's seem to be the stitch that holds a family together or tries with every breath they take. You will never forget that second or minute she left you but she will always be in your heart, no matter how old you get. I feel so bad for everyone, knowing the hurt and pain you are enduring. But life does go on, just be the best you can be and make her proud beyond her dreams, she'll be watching you and will always be with you. My thoughts are with everyone and prayers are coming to you Love to all
