“ We met Danielle at Seatrail in August 2000 at the First Time. Since this moment she became a very special friend to our family - every year in August we came back to Sunset Beach and had a lot of funny hours in Grapevine Restaurant together with her. As we said „bye bye“ to her (and Daniel and Shawna) at the end of our vacation August 2019 - we never thought „it is the last bye bye forever“! Corona didn't allowed us to return to Sunset Beach the last two years - we are so sad there was no possibility to see her again! All the best wishes to the whole family and a big hug to Danielle - we never forget you!

“ Thank you for your yearly visits with our dear Dany. She was so excited waiting for your arrivals each visit. After every meal at the Grapevine,,she would tell me all about the enjoyment of your company & wonderful conversations. I know how much she valued the friendships. She was blessed having friends like your family. Thank you again. Ginny

“ In memory of my dear friend Danielle, who spoke German fluently, as well as English and her native French. We have been best friends since childhood, and she is greatly missed.

"Sie kam und ging mit leiser Spur,
ein stiller Gast im Erdenland.
Woher, wohin, wir wissen nur
Aus Gottes Hand, in Gottes Hand."

Translation

"She came and went with gentle steps,
a quiet guest on earthen lands.
From whence, to whither, we only know
Out of the Hand of God, into the Hand of God."

Farewell, good friend.

“ Aunt Dany, you were the best Aunt anyone could have! I will cherish the time we were able to spend together when we came to see you on our vacation each year! The memories you made with Me and my family will stay with us for a lifetime. You especially had a special connection with Brianne. Knowing that you are no longer in pain helps our hurting heart some. We will miss you dearly and you will not be forgotten
