“ I grew up with Donnie on Glenwood Hill in Clarksburg, WV and haven't seen him since 1963, but I would have known him on site from his picture in our paper. I just want to say that I'm sorry for his family's loss. Don was always very friendly and very active especially in the woods near where we where raised. He spent enough time there to know every foot of the forest's acreage. Our prayers are with you as you celebrate his life.

“ I loved living across the street from yall! Mr. Patterson definitely had the neighborhood scoop, and it was always nice to see him going down the street or coming over to say hi in his wheelchair. My sincerest condolences to Mrs. Patterson, and Amanda.
