“ Guy Jones, so many memories from my childhood. He and his family were our Woodlawn neighbors. My dad taught him to reupholster furniture and he went on to do beautiful work for years. Any time you saw him he was so happy to catch up on your family and talk about his. He worked hard and loved to be busy, always had something interesting he was working on. My parents always thought the world of him and hope they get to talk in Heaven now!
