“ Aunt Jon Webster was a highlight to family reunions. Her laugh and her smile was of no comparison to her wit.

She was an inspiration of a woman and she will be missed dearly.

“ Laura and I were just sharing about the time we went out to visit Aunt Jon Webster and the family...
It really was the first time the kids had been Civil War hunting out in the back woods.
They found an Indian head arrow and Robert got a chance to drive in the Corvette. Aunt Jon Webster really made us feel at home glad she didn't know how fast that Corvette ride was!

“ When I think of memories with Jon Webster they all bring a smile to my face. She had a laugh that you would never forget and she was always a warm conversation. Vacations in the outer banks would not have been the same without her. We will cherish the times we had with her forever.

“ I always loved visiting and being with Jon Webster at all our family get togethers throughout the years. She was such a warm and loving person and had such a wonderful sense of humor. She loved my brother very much and would always say what a good guy he was. Jon Webster was a terrific mom who was so proud of her son's accomplishments. I will miss Jon Webster but am comforted knowing she is no longer in pain.
