“ The Marshalls have wonderful memories of trips and meals together with Mary and sister Esther through these last twenty five years. Mary was a good and faithful servant who loved ministering to the children, a mother always praying for her family, and a great friend. We will miss her but know she is at home with her Lord. We will see you again, Mary. We thank God for your faithful life.

“ We all loved Mary and considered her a part of our family. She was so fun loving and had a sweet spirit and very strong love for the Lord. I will always cherish our times spent with her, especially our trips to the Dutch Country where she got a picture of me milking a cow! LOL! She will forever be in our hearts!! Love you sweet Mary - RIP!!!

“ Hi everyone! I love you!  
Jesus said these words to his disciples and I think they fit well with the life of Mary and the legacy that she left for me and my family and yours.

Blessed are the poor in spirit,  
for theirs is the kingdom of heaven.  
Blessed are those who mourn,  
for they will be comforted.  
Blessed are the meek,  
for they will inherit the earth.

Her spirit will live on in each of us forever.  
God Bless!

“ My precious Mom; I know you were ready for this day, as your relationship with the Lord has always been intimate and true; but we were not ready to say goodbye. Your love and example of how to live, how to love and how to see the beauty in the world around us has been a model for your children and the many lives you have touched. You never ceased to amaze me and make me proud; I thank God that he allowed us the gift of you being our Mom. I have truly been blessed. Now as you fold your "wonder woman" cape and join your Heavenly Father; know that he will welcome you with open and loving arms. Job well done as your legacy lives on in the world you leave behind. God speed you on to the greater gifts your journey will hold. You will live on in my heart every day, until we meet again. Give Dad and Debra a hug, they have been preparing a seat for you beside them in that heavenly garden. I love you.

“ My Condolences to the family. Your mom was a kind and humble person.  
<ay she rest in peace

“ I love you, Momma! You have lived a full and active life and touched the hearts of so many over the years. You had such a humble heart and never understood how special you were. I pray I turn out to be even half the woman were. You have earned your rest in God's Kingdom. Love you!
