“ Peggy was my sister,I'm proud to have been her sister,she was a beautiful person inside and out,and left a ever lasting impression to whom ever she met,she was one of a kind. She had a heart of gold. Peggy is the reason my favorite game show is Let's Make A Deal I remember when I was in kindergarten some days I would go to her house after school,and we would have a snack and we would always watch Let's Make A Deal it's small things in life you never forget,so to this day every time it comes on I think of my beautiful sister. I have alot of beautiful memories of Peggy that I'll never forget, always in my heart, I'll see you later. All my love

“ My sister Peggy was a wonderful person.She loved her family more then anything and would do what ever she could for us.She gave me a list of people to call to update them on her health while she was in the hospital and when I called them they told me how much they loved her and what a good person she was. It made me feel good to know she had such wonderful friends that cared about her. Peggy and I talked on the phone just about every day for hours and I miss that. She is in my heart forever and I love her.I know I will not see her in this life but I will see her in the next one.I love you Peggy, Rest in peace my dear sister.

“ Mom,
Thank you for always being there for me and my Wife. I have so many great memories with you and will forever remember your laughter and good times we spent together. You always worried more about me than yourself, even when you were not feeling well or sick. You always wanted to make sure I was OK, even before you left. I will always remember what you told me during our last conversation and "Yes Ma, I Promise." I will always love you and miss you.

“ The men and women of VFW Post 2239 (Colonial Heights, VA) offer you our deepest sympathy & thoughts and prayer to your entire family. Raymond and Peggy were a most welcomed site at the Post for bingo every Saturday. They just didn't interact with people but treated everyone like family. Members as well as the public who knew and interacted with them will miss them dearly. Their years of dedicated service to this Post and to the people & organizations of this community will never be forgotten and forever appreciated. May the love of God and gift of time bring comfort and healing through the loss you and your family are feeling now.

Blessings,
Chaplain, VFW Post 2239

“ Peggy loved her family and friends so much! If anyone needed anything she was always there to help! She had a big heart She always let us know she was the oldest and we were to respect our elders. She taught me a lot over the years that I will always be grateful for! Rest In Peace! Forever in my Heart Love you

“ I will miss our conversations on the phones and how she always made me smile. She loved seeing pictures of our grandkids and would always call when I sent her one of their pictures. She was my friend and my sister in law. She would not let me say goodbye, but rather, see you later so Peggy, I'll see you later

“ Mama Peggy Boone and I loved each other with a beautiful and unconditional love grounded in our faith. I am so grateful that I spent quality time talking with her since Papa Raymond Boone passed away. One of my favorite memories is trimming roses with Mama, and the trip that we all took to Branson Missouri. I miss her and Papa Boone so much but I know that they are with Jesus now! Praise Almighty God that we will all be together again one glorious day, as our hearts are bonded in God's love!
Love Always,

“ Like Raymond, Sr., I never had the chance to meet Peggy but I've heard so much about her through my friendship with her son. It's clear that she was a special and extraordinary lady. My thoughts remain with him and the rest of his family at this time.
