

Sherrill Lynn Pond

November 6, 1956 - January 6, 2021

Sherrill Lynn Pond, 64, passed away on Wednesday, January 6, 2021. She is survived by her loving daughter, Michelle R. Blanks, who shares a poem to reflect on Sherrill's impact in her life:

Your Mother is always with you! She's the whisper of the leaves as you walk down the street. She's the smell of certain foods you remember, flowers you pick, the fragrance of life itself. She's the cool hand on your brow when you're not feeling well. She's your breath in the air on a cold winters' day. She is the sound of the rain that lulls you to sleep, the colors of a rainbow. She is Christmas morning. Your mother lives inside your laughter. She's the place you come from, your first home. She's the map you follow with every step you take. She's your first love, your first friend, even your first enemy. But nothing on Earth can separate you. Not time. Not space. Not even death.

Interment will be private. Funeral arrangements are being handled by the Petersburg Chapel of J.T. Morriss and Son Funeral Homes. Condolences may be registered at <http://www.jtmorriss.com>.

“ Sherry and I were quite close years ago when we worked together until she retired and I lost touch with her. We both were young married girls and got pregnant around the same time in 1981. Sherry got pregnant first convinced she was carrying a boy(named Eric) and myself 3 months later thinking I was carrying a girl(Crystal Dawn). Of course we were both wrong...she had Michelle Renee at the end of January and I had CC(Charles Matthew) on May 7th. I remember when she and I drove to Biloxi Mississippi one weekend leaving from work on Friday at 5 in my trans am and getting there around lunchtime on Saturday sleeping a few hours and leaving that same evening to drive back home carrying my cousin Susie and her newborn son back home to visit before her husband was transferred to Minot North Dakota where she still lives today. Of course we were both so exhausted from the drive that we called in on Monday. Later we both went through divorces and the single life together. We had so much fun and enjoyed doing things together like going to the lake, helping at the oyster roast at white bank park and helping her dad. Of course we were both diehard Redskins fans and enjoyed watching the games with her family. We used to go to lunch together almost every day and then I got laid off and had to work at another state hospital until 6 months later a job became available in the pharmacy and I got the job which I still work at today. We still had lunch occasionally but soon lost touch. I was so shocked when I heard she was gone. I will miss her sweet smile and the companionship we had and I am sorry we grew apart after I changed jobs. Sherry was so sweet and she had a heart of gold and I wish I could have told her what a great friend she was and how much I miss her.

“ Oh the laughter. The kind of laughter that was so hard you couldn't see. The times we would be exhausted just from laughing. Sherry I will remember those times forever.

“ I was glad to reconnect with Sherry when I was working for VITA. I immediately recognized her from Elementary school; and enjoyed catching up. She was so proud of her brother, Tommy and his accomplishments. I want to convey my condolences to her Family; and will pray for your comfort and peace.

“ My sincere sympathy to Sherry's family. We went to school and Church (Col. Hgts. Baptist) together. We shared freshmen history class and laughed so hard every day. I have not seen Sherry in years. So sorry for your loss. Thoughts and prayers.

“ Sherry, you were always such a smartie-pants in school, and then there's your wonderful strawberry hair...you were like your own original ice cream flavor!
