“ It has been a privilege for us to know Tom as our dear friend. Many years ago we first got to know him at First United Methodist Church in Hopewell. He was especially loyal to this church that he and his wife joined when they moved to Hopewell after they both retired from the Air Force. Tom's attendance of the weekly bible study was unsurpassed, as he was always the first to arrive and the last to leave.

Tom was a kind, gentle and humble man. He generously shared his woodworking talents by giving his small projects and wooden crosses to his many friends and to strangers. We are keeping Tom close in our thoughts with fond memories of him and his warm, friendly hugs.

“ I taught on the same team with Janet at Carter Woodson for many and Tom was always making something for us to use in our classrooms. I still have several things he made for me. He was such a patient and loving man. With sympathy to his family,

“ Thank you for sharing Tom with us at John Randolph Medical Center for more than 30 years as a volunteer. He was passionate about his ability to serve, and he thoroughly enjoyed interacting with patients, visitors and staff. Tom was attentive to patients, and he kept staff informed if they needed anything. He made patients and families feel comfortable and at ease. Tom was well known by many employees since he volunteered in several departments. He was thoughtful, and many of our staff were recipients of the various items he made - crafts and food! Tom was witty, and he never failed to tell you his opinion. Tom will always be remembered for his dedication to volunteer service and his capacity for caring about others in need.
