“ Grandma, my Sunshine and my heart. I don't know how we will get through life without you and your sassiness. You were such a social butterfly and loved talking to anyone who would listen. I have never known life without you and hearing you calling me your baby...It will be only with Gods help that we will get through this. You were so strong and taught me and the girls how to be strong and we are forever grateful to have spent the time we did with you and will always cherish each memory. Virginia trips to grandmas house will never be the same... enjoy your homecoming with your family and with pawpaw Buddy... loving you always... your baby ❤️

“ Mom was one of the strongest women I have ever known. She worked hard and never gave up on anything she attempted. She loved with all her heart and loved her family with a passion that is very rare and genuine. She never met a stranger no matter where she was. She loved the Lord and her church with all her heart. She will be missed and forever loved. I will see you on the other side Mom. Save me a seat near the river of life. I love you Mom.
